

# GWRRRA UNIVERSITY

invites you to

## LEAD LIKE YOU RIDE Training Experience

A new perspective on leadership that is founded in basic concepts and principles that are easily understood and practical to implement

*Lead Like You Ride is an highly interactive, fun, training experience to help you learn to use the same leadership mindset and principles we use when we ride to lead your chapter, district, region or program. We can also use these same principles and tools to improve our own personal and professional lives.*

Participant rating
